If this is you...it's a federal felony crime tampering with ballots...I would talk to Trump attorneys let them know you want to talk about what you did...but I'm sure you already know that. If you are even a Christian you never should have frauded the election but to save your soul from Hell..you need to come clean. This is from one Christian to another.

You have been caught on camera committing voter fraud. The cops will soon arrest you. The best option is to tell it all to get a plea deal. You are your daughter will have a horrible life in prison if you don't get a plea deal.

I am praying for you. Hi Miss Ruby. I just wanted to let you know I am praying for you. I have seen the videos. I watched you pray with your daughter right before you gave her a thumb drive at the election counting center. I saw you and her pulling out thousands of ballots to count them secretly. I am sure this hasnt been easy for you and I am also sure you are both scared right now. Do you think that if the chips start to fall that those who told you to cheat will protect you? Do you think they really care about you or is it more likely that they will deny knowledge of your and your daughters actions and leave you to be prosecuted for your fraud. Do you really want to spend your life in Prison for this? I know your heart. God knows your heart. God knows that you knew what you were doing was wrong when you prayed to him before you did it. You have a unique opportunity here to go from criminals to HEROES by telling the truth - ask for immunity, they will give you anything to catch the bigger fish! Miss Ruby, do you understand the power you hold in your hands right now?? Claim you were pretending to go along with the scheme to catch them in the act. Be the saviour of the American People! Write a book, give interviews , become famous! Save this Republic before we go to Civil War! God knows your heart. God knows you will do the right thing. I am praying for you.

Very sad that an American will go as low to cheat in our election. I hope that you go to to Prison for election fraud. You must educate yourself when you to prison, read books and learn that the left isn't really what you think it is, and really they're just there to take advantage of your vote. Enjoy Prison, you have been caught for Election Fraud on CAMERA.

You have a Bible verse on her LinkedIN page:

<https://www.linkedin.com/in/ruby-freeman-b0329b75/>

Here are some of your Tweets, including more stuff about Jesus:

<https://wearethene.ws/notable/176452>

You were a vendor at a Christian Women's conference:

<https://sside.org/event/womens-conference/>

Jesus this, God that, all while actively committing a felony, voter fraud, disenfranchising fellow Georgia Citizens? What's up with that???

How was cheating to fraudulently enter ballots justified in your mind? This is a presidential election, you committed a felony that will land you in prison. Unless you can sing a pretty song to turn states evidence and expose the big buys in this rigged election. You destroyed your life and your business.

You are collateral damage, expendable. The DNC will toss you under a bus in a heart beat. There are 70,000,000 people who will cry for you to go to prison.

I am one of them. I WANT YOU IN PRISON. You are a traitor, this is treason, it is a coup attempt at the presidency and you are a key cog in their nasty wheel.

America hates you. Do you have any idea what you have done not just to the American people, but to your family and to yourself?

PLEASE LET THEM PUT YOU IN PRISON.

You're famous now...way to go. Your site has all kinds of rhetoric about being a Christian. You bring shame and disgrace to the body of Christ. Caught red-handed cheating on the vote. Your ways are foul and deceptive. Be kind enough to either come clean in public and repent, or remove any vestiges of your association with Christianity from your page.

You have done a bad thing! People died for our right to be free! You stole votes and are instrumental in turning our country into a communist country where nobody is free! Shouldn't you of all people understand what freedom means??? You have been used as a stool!! How much money did you get paid to do that?!? Do you think you'll be able to enjoy it when you aren't free to celebrate holidays, visit with family and friends and walk around without a mask on? Think about it!! You are the one that ruined the world for freedom loving people everywhere.... is that who you want to be? God sees all. You aren't fooling him so quit fooling yourself. Do the right thing and turn yourself in and tell who put you up to this. You know you are going to be the peon that gets sent to jail while the big cheese gets away with it.
